Sponsored workshop

Elementary Ultrasound-Guided Regional Anaesthesia Workshop (UGRA-E)

22 Sep 2018, 01 Dec 2018 & 09 Mar 2019

The goal of this workshop is to impart a great understanding of ultrasound imaging for regional anaesthesia to HKCA trainees. They will learn about the physical principles of ultrasound use, the anatomical basis of commonly performed truck, upper limb and lower limb nerve blocks as well as obtain updates on clinical application of UGRA via interactive lecture & skill stations. Learning will be enhanced with hands-on practice on live model demonstration and use of phantom model.

Time & Venue	08:30am - 05:00pm NTEC Simulation and Training Centre, 3E Ward, 3/F, North District Hospital, 9 Po Kin Road, Sheung Shui, New Territories.
Capacity	Maximum 12 participants (First come, First served basis)
Target	HA Anaesthetists
Course Fee	Free registration
Registration	Application form can be downloaded from HKCA website: www.hkca.edu.hk Please register <u>at least 5 weeks</u> before your intended course date For enquiries, please contact Ms. Fion TANG at 2683 8298 (Email: tth811@ha.org.hk)
