

CLINICAL SIMULATION COMMITTEE
THE HONG KONG COLLEGE OF ANAESTHESIOLOGISTS

Hong Kong Simulation Instructors' Course

Instructor: Dr Timothy Brake

Course Description:

This multidisciplinary 2 full day course will introduce participants to concepts of adult learning, human factors and small group work. We will describe and practice how to set up and run simulation scenarios. Participants will have practice and feedback on debriefing and facilitation.

This is a practical course designed to help participants who are active in or would like to commence in simulation based medical education. Previous experience of simulation as a participant and or as an instructor would be useful.

This course is accredited for those wishing to become EMAC instructors. This course is recommended for all those instructing at CSC. This course is approved by the HA Simulation Quality Assurance Group as a team based train the instructor course.
